Why YES Prep?

For twenty years, YES Prep Public Schools has redefined what is possible in public education. With over 12,600 college-bound students in Houston, we are a system of high-performing public charter schools, proving that students from low-income communities can achieve at the highest levels. YES Prep students are shattering the status quo with state assessment scores, Advanced Placement passing rates, and college graduation numbers that are far higher than national averages. As the winner of the Broad Prize for the most Outstanding Charter Management Organization in the nation and Houston Business Journal's Best Place to Work award for four consecutive years, YES Prep is not only redefining possible for our students, we are an employer of choice for extraordinary, diverse talent. We invite you to learn more about us at: www.yesprep.org.
