

DEPARTMENT OF CONSTRUCTION SCIENCE CHANGE OF MAJOR FORM

Complete the Application Form and Attached Unofficial Transcript Return to Department of Construction Science (MNT 4.400)

Available openings within the Construction Science and Management Program (CSM) are limited and, therefore, entry is competitive. Current UTSA students interested in Construction Science and Management are first considered by the Department for PRE-CSM admission and then considered for possible admission into the CSM program.

The department upon receiving the application will evaluate for admission as PRE-CSM and notify the student by e-mail. Students accepted as PRE-CSM, must within ten business days **make an appointment with a Construction Academic Advisor, prepare a plan of study** and bring it back to the Department of Construction Science (MNT 4.400). Pre-CSM majors that have submitted the plan of study to Department will be given preference in the application review to become CSM students.

Student's application will be reviewed before registration each academic semester (Fall and Spring). Students will be accepted to the construction program (CSM) based on their grade point average (GPA) and number of available seats.

Students not accepted in to the CSM program are encouraged to improve GPA and re-submit application.

APPLICANT INFO	ID#:									
	First:				Last:					
	Current Major:						Current Overall Univ. GPA.:			
	Number of All Univ. Credit Hours Attempted:									
	Phone:									
	Email:									
	Signature:					Date:				

If student is accepted to PRE-CSM, student must within ten business days make an appointment with a Construction Academic Advisor, **prepare a plan of study and bring it back** to the Department of Construction Science (MNT 4.400).
