MAKE IT COUNT

IN TECHNOLOGY

Working in Cyber Security at Citi:

An inside perspective on what protecting Citi's most important assets is really like

Come join us for a Global Information Security Analyst Panel as they discuss how they used the courses they took in college to propell them into an exciting and challenging career in cyber security.

WHEN: Wednesday, April 5, 2017

TIME: 3:00-4:00 PM

WHERE: John Peace Library JPL 4.04.22

All Students are welcome and encouraged to attend

Visit oncampus.citi.com to learn what progress you can make with Citi.
