Building on Resilience: Models and Frameworks of Black Male Success Across the P-20 Pipeline

DR. FRED BONNER

The African American Studies program is proud to present Dr. Fred A. Bonner II, a prominent education scholar whose research focuses on African-American males, as this year's UTSA AAS Visiting Research Scholar.

Dr. Bonner was awarded an endowed chair and given his own center that focuses on helping to advance the status of minority populations across P-20 education and workplace contexts.
