

## Non-Course Based Program (NCB)

- Assist students to become college ready in reading, writing & math
- Option available for students to attend **NCB + Core Course** through application submission (Tutoring)
- Combination of **small interactive** classes and small **group/one-on-one tutoring**
- Free, non-credit bearing course & materials

**Please note**, when enrolling these students the registration shows a "1.25" credit hours listing.
