

Throughout the past two centuries ... despite marginalization ... Latinos have managed to preserve their language and traditions by fashioning a parallel subterranean storehouse of music, dance, theater, journalism, literature, and folklore—in English, as well as Spanish... [Combining and reshaping] aspects of African American and Euro-American music, dance, and theater, creating in the process a dazzling array of hybrid forms that are today uniquely American.

--Juan Gonzalez, 2011, 227).

BBL/MAS 2023 – Latino Cultural Expressions First 5-week summer: 5/26 – 7/1

Framed inside the historical readings in *Harvest of Empire*, *From Out of the Shadows*, and other assigned readings this course facilitates an examination of Latina and Latino Cultural Expressions in the United States.

Instructor: Sandra D. Garza
