

Graduating in May?

city Year is hiring full-time mentors and tutors
for **11 months** in San Antonio.

Service term is Late July 2017-Early June 2018

What is City Year?

An education-focused nonprofit organization that works to keep struggling elementary, middle, and high school students stay **in school and on-track** to graduate.

How does it work?

We place a team of diverse 18-25 year-old young adults (**corps members**) in local schools.

How do corps members prepare?

Before entering schools, corps members receive **extensive training** on topics such as youth development and learning theory, behavior support and intervention, academic tutoring, and community building.

What does City Year bring to corps members?

- Valuable skills & knowledge
- Bi-weekly living stipend
- \$5830 Segal Education Award
- Medical insurance
