

Department of Political Science and Geography

MEMORANDUM

TO: Alejandra Holt, Assistant Registrar  
Office of the Registrar

FROM: Andrea Aleman, Undergraduate Advisor of Record  
Department of the Political Science & Geography

DATE: 06/25/2021

SUBJECT: POL 1133 credit when POL 1013 is AP credit

---

The Department of Political Science & Geography would like to update the current catalog's section on AP credit earned for POL 1013 Introduction to American Politics. This policy can be found in Appendix B. National Standardized Tests: Minimum Scores Required for Credit at UTSA. Below is the current policy and the updated policy. In order to assist students with credit completion we request this policy to be retroactive including students in previous catalogs.

**Current policy:**

"This credit is earned after completion of POL 1133 Texas Politics and Society (available as a Competency-Based Exam-see chart for requirements) or POL 1213 Civil Rights in Texas and America."

**Updated policy:**

"Credit for POL 1013 can be awarded as soon as AP credit is earned."

If you have any questions regarding the updated policy, please feel free to contact me or Department Chair, Dr. Jon Taylor.

Andrea Alemán

Assistant Professor of Practice

Undergraduate Advisor of Record/Graduate Advisor of Record
