

Part-Time Math Instructor Positions

Math Instructors

Come join an exciting team that is assisting students master math skills and prepare for the future.

Mathnasium is a math only-learning center that offers both math help and enrichment to students in grades 2-12. Each student in our program receives a customized learning plan based on our proprietary teaching material. Join us for the opportunity to make a difference in a child's life by passing on a love for math! We offer part-time jobs in the Boerne/Fair Oaks area, 10 miles from UTSA (I-10 exit 542), with flexible scheduling and ongoing training opportunities.

Required Qualifications:

- Exceptional math skills through Algebra 1 and Geometry
- Excellent verbal presentation, communication, and multi-tasking skills
- Ability to professionally interact with students and parents
- Energetic and confident personality

Preferred Qualifications:

- Ability to teach students in upper level high school math courses
- Previous teaching experience or other experience working with students

The Mathnasium Learning Center environment is supportive and encouraging. Take the opportunity to make a difference in a student's life by helping them reach their math potential. Applicants should love teaching and be able to motivate students to success.

Hours may vary but could include mid-afternoon through early evening hours Monday-Thursday and Saturday mornings, approximately 8-16 hours per week (flexible).

Please reply with resume and cover letter. In your cover letter, include detail about your math competency, mathematics and academic coursework, experience teaching or working with students, and availability. Email all materials to boerne@mathnasium.com.
