

NEW FALL 2023 COURSE

**SWK 1013
INTRO TO
SOCIAL WORK**

This introductory course provides an overview of social work as a profession, with a focus on its unique principles, values and ethics, variety of areas of practice and commitment to advance human rights and social, racial, economic and environmental justice and to promote human and social well-being.

The course will also provide students with a critical understanding of the history and development of the profession.

Course is open to all students.

**DOWNTOWN CAMPUS: M/W 10-11:15AM
OR
MAIN CAMPUS: T/TH 10-11:15AM**
