

## OUR MISSION

Promoting learning and discovery through teamwork and excellence in facility management

### Alternate Routes

#### Circulation: Frio Streetscape Improvements

Construction will cause temporary closures. As a safety concern, the north entrance into the Monterey Parking lot will be closed except to pedestrian traffic.

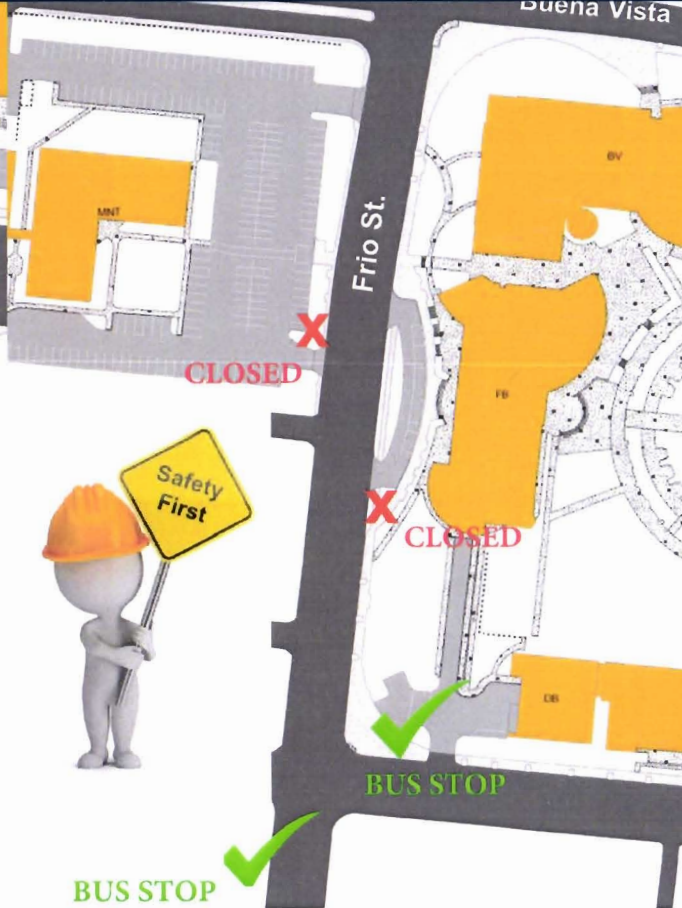

A new entrance on Buena Vista will allow vehicles to access the Monterey lot from Medina Street.

The new drive will also allow traffic to exit Monterey Parking lot and head north on Frio or east on Buena Vista.

All pedestrians will need to use the crosswalk at the corner of Buena Vista and Frio St.

Vehicular traffic will only be allowed right turns into, or out of, the Monterey lot.

### Bus Stops

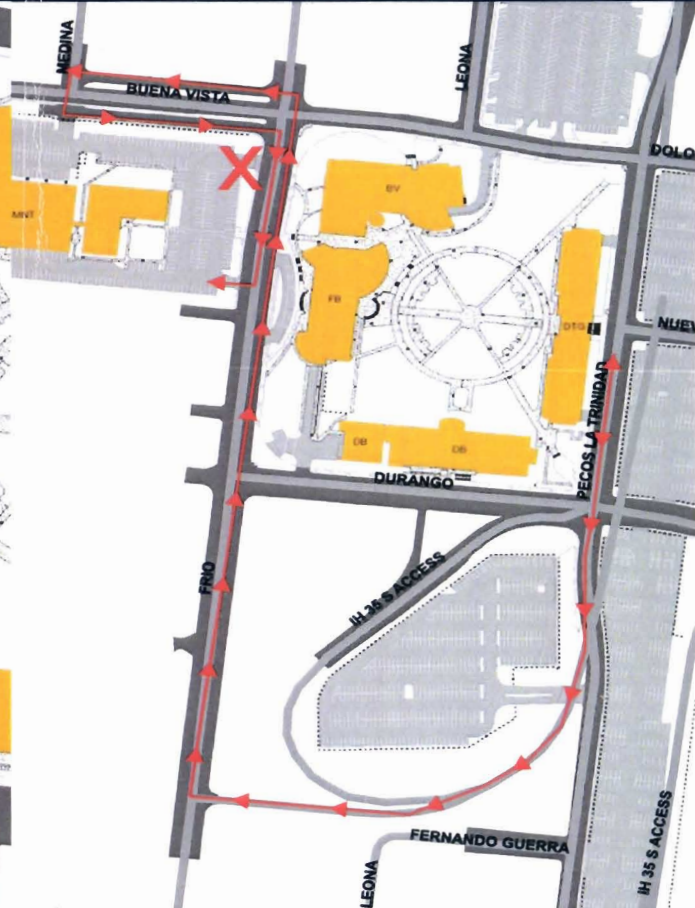

#### Temporary VIA Bus Stops Relocated

During construction, the VIA bus stops will need to be temporarily moved.

North bound riders can board VIA at the east corner of Cesar Chavez and Frio St.

South bound riders can board VIA at the Magistrate on west Frio St.

### Temporary Route to Monterey

#### During construction, the east lanes of Frio are closed.

For the safety of pedestrians crossing at the intersection of Frio St. and Buena Vista, the north drive into the Monterey Lot will be closed.

Exit IH10 at Durango, follow the off ramp to Frio St.

Head north on Frio past the campus.

Turn left on Buena Vista frontage rd. head west.

Go under the bridge on Medina Street.

Head east on Buena Vista back to Frio St.

Turn right onto Frio St.

Enter Monterey Parking lot through the south drive on Frio St.
