# FEMINIST THEORIES

WGSS 4623 CRN 21385 Section 001

M 2:30 -3:45 mix of in person and online

This course will introduce interdisciplinary feminist theories. Students will examine theoretical constructions of women, gender, and sexuality drawing primarily on Women of Color feminisms and queer theories. Students will examine how theories help explain our lives, experiences, and material conditions to creative collective movements for social change. Topics may include the ways in which women, genders, and sexualities get constructed socially with special consideration of race, ethnicity, class, sexuality, and other categories.
