

Instructor & Advisor Getting Started Guide

Early Alert Retention Network (EARN)

Welcome to EARN at UTSA!

EARN is a network of Faculty, Advisors and UTSA Staff working together for the success of all students. EARN gives you a convenient way to keep track of your students – raising flags when you observe a pattern of behavior that concerns you, ensuring that the people on campus who can intervene are aware.

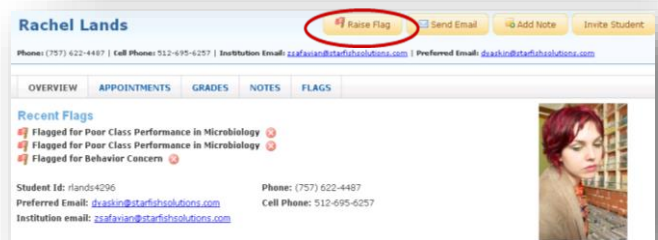

Getting started is easy. Accessible through Blackboard Learn, EARN will automatically display all students that you have been assigned to you or are enrolled in your courses. From there, you can begin raising flags about students, review flags that have been raised about your students, and provide additional information.

That's it. Simple for you. Empowering for your students.

>> Raise a Flag

When you have a concern with a particular student, raise a flag to communicate your observations.

1. Click on the **Students** navigation item to see all of your students.
2. Find the student you want to raise a flag for – by searching for their name or paging through the students. Click on the student's name to bring up the student's folder. *Note:* Anywhere you see a student's name as a link it will take you to his or her folder.
3. When you click on the **Raise Flag** button, a list of flags that can be raised and viewed by you is displayed.
4. Select the appropriate flag, enter comments and click the **Save** button.
5. The appropriate individuals will be automatically notified.

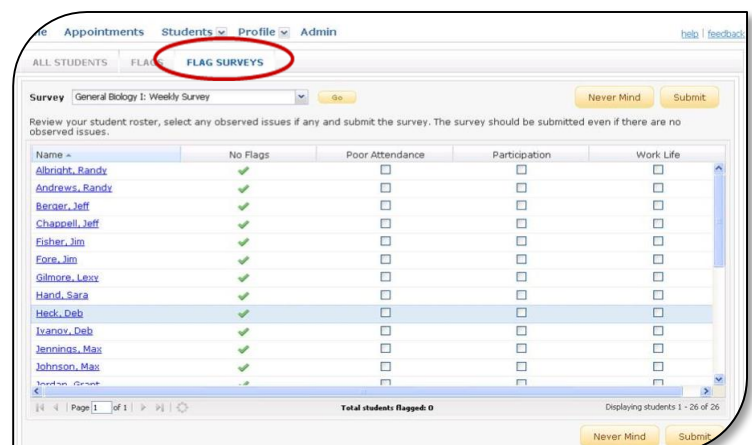

>> Progress Surveys

Manual flags can also be raised by submitting a flag survey. You will receive an email reminder when there is a new survey for you to complete.

1. Click on the **Students** navigation item and then choose the **Flag Surveys** tab.
2. Check the boxes to raise concerns about certain students.
3. Click **Submit** when you are finished to raise the selected flags.

Note: You may be asked to submit more than one survey. They will be listed in a drop-down menu on the Flag Surveys tab

>> Setup Your Profile

Some of your profile, such as your contact information, is imported from your CMS or SIS. Other parts of your profile, such as your cell phone number, can be entered by you.

1. Click the **Profile** link in the **EARN** navigation at the top of every page.
2. Enter a phone number and/or cell phone number, if you wish to share them.
3. You may enter an alternative address in the “Preferred Email” field. Select the address(es) where **EARN** should send email and calendar events.
4. Upload your photo to help a student put a face to your name.
 - a. Select the **Upload Photo** link.
 - b. Browse for a photo on your desktop. Recommended file formats are JPEG, GIF, and PNG.
 - c. Click the **Upload Now** button.
5. Complete the General Overview and My Biography sections.
6. Click the **Save** button.

My Biography

Use this space to tell others about yourself. You can include your educational background, work experience, areas of research and study, or any other information that would be relevant to others on campus. Students are more likely to reach out to you if they know a little about you.

I spent 15 years in industry after receiving my PhD. Much of it was with the Smithsonian and the US Government. At Excellent University, I not only teach Biology courses, but I have been an advisor at the McGraw Center for 14 years.
