SPECIAL PROGRAMS

Job ID#59641 The Homeland Security Summer Scholars Academy 2014. Application Deadline: March 21st
The Homeland Security Summer Scholars Academy offers undergraduate students from various disciplines an intensive, hands-on, ten-week summer research experience in a realistic and meaningful environment. **Students chosen for the program will be awarded a \$4,000 stipend**, paid on-campus housing, a meal allowance, and travel reimbursement if students selected for the program. **Program runs June 2, 2014- August 8th 2014.**

Research areas of focus for the 2014 Academy include:

- Policing Immigrant Neighborhoods on the Border. How do the Police & Immigrant Communities Perceive Each Other.
- Psychological Factors that Influence Face Identification during Screening Procedures.
- Game Theory for Border Security.
- The Social Psychological Process of Radicalization.
- Behavioral Game Theory Analysis of Patrolling Games.
- Mental Health of Hispanics in a Border City.
- Perceptions about Security Among Border Residents.
- Connecting the Dots. Probabilistic Foundations.
- Data Anonymization that Leads to the Most Accurate Estimates of Statistical Characteristics.
