

Individual Project Consults with Dr. Karen Klein

Dr. Karen Potvin Klein will be available for one-on-one project consultations during her visit to UTSA Oct. 3 & 4. Dr. Klein is a grant development and medical editing professional with many years of experience as a researcher and grant writer. She specializes in NIH “K” (career) and “T” (training) programs, but has a broad knowledge of funders and programs. Individual PI projects will be scheduled for 30 minutes each. Team projects will be scheduled for 1 hour each.
