

PROGRAMMING BOOTCAMPS

for UTSA Pre-Service Teachers

Programming Bootcamps for UTSA Pre-Service Teachers are two-hour workshops that introduce participants to programming and computing related topics. Participants will learn programming concepts and how to read and write basic programs on various platforms. This workshop is open to all UTeachSA and COEHD students and others! Sign up on our Eventbrite page using the QR or links below. More information about each bootcamp can be found on its Eventbrite page below. **SPACE IS LIMITED!**

	Raspberry Pi <i>Apr 8 @ 10:00am – 12:00pm</i> https://bit.ly/2Vf6pZG No prior programming experience necessary!
	Python I <i>Apr 8 @ 1:00pm-3:00pm</i> https://bit.ly/2FUjcvC No prior programming experience necessary!
	Python II <i>Apr 10 @ 1:00pm-3:00pm</i> https://bit.ly/2UgKKE3 Participants should have taken Python I Bootcamp.
	Sphero Robotics <i>Apr 15 @ 12:00pm-2:00pm</i> https://bit.ly/2HZHUg2 No prior programming experience necessary!
	Web Design <i>Apr 17 @ 12:00pm-2:00pm</i> https://bit.ly/2HVN8JK No prior programming experience necessary!

All bootcamps are held in the EDGE Center (MB 0.328).
