

Are you familiar with the UTSA Main campus? Are you at least 60 years old?

- Researchers in the UTSA Psychology Department are studying how the mind works.
- Current or former staff and faculty who are 60 or older and who are familiar with the UTSA main campus are needed for our current study.
- The study is conducted in two sessions on the main campus. Each session takes 1.5 to 2 hours.
- You will receive free parking in the Ximenez Avenue garage and \$40 for each session (\$80 total).
- Please call **458-5836** or email mind@utsa.edu for more information.
