Interdisciplinary Studies Colloquium

Celebrating the life of Dr. Marian Martinello

Saturday, February 13, 2016

UTSA Main Campus

Business Building, University Room 2.06.04

1:00 - 4:00 p.m.

Please join us in celebrating interdisciplinary inquiry at the 2016 IDS Colloquium. This year we will pay tribute to Dr. Marian Martnello, Professor Emeritus, who passed away last year. The event includes a panel of faculty and recent doctoral graduates, and a showcase of the best IDS undergraduate inquiry projects of the year 2015. These students' projects were nominated for the Guiseppe Antonio and Marietta Martinello Prize for Inquiry, which will be awarded at the colloquium.
