

'IMERS' Yourself!

Interactive Mentoring to Enhance Research Skills (IMERS)

Previously submitted unsuccessful proposals to NIH?
Been close to the funding line, but need a bit more help?
Need a little “retooling” to become a successful grant writer?
Want to be a better research mentor for your students?

Join us at the University of Kentucky for a dynamic, three-day workshop to enhance your grant-seeking and mentoring skills! **Mark your calendars!**

March 11-13, 2019

or

May 6-8, 2019

This workshop provides *intensive grant-writing training* with a major emphasis on NIH funding opportunities.

University of
Kentucky

IMERS provides:

A three-day interactive grant-writing workshop with mentoring and input from NIH-funded faculty

A session on student mentoring to help you build confidence and strong research skills in your students

Post-workshop follow-up on your developing NIH proposals

Participant lodging at the Embassy Suites at Lexington Green

Roundtrip transportation to and from the University of Kentucky

Funding for this training is made possible (in part) by a grant (R25 GM125680) from the National Institute of General Medical Sciences. (NIGMS).
