

**JOB TRAINING OPPORTUNITY FOR INDIVIDUALS WITH DISABILITIES
AND DIVERSE SUPPORT NEEDS**

INSTRUCTIONAL ASSISTANT AND SUBSTITUTE TEACHER

What is Employ 210?

We are a grant funded program with UTSA and our goal is to bridge the unemployment gap for neurodivergent adults (diagnosed with neurodevelopmental or mental health conditions such as ADHD, ASD, anxiety, depression, PTSD, learning disabilities, etc.) by aligning employer needs with employee skills.

Through our FREE training program, we will equip you with the skills to perform the job and roleplay potential scenarios that could occur. The training will prepare you to be a competitive candidate for the position, but you will still have to go through the standard application process. Employ 210 will directly refer graduates from our training to decision makers within your desired school district.

Interested in working in education, psychology, social work, or a related field? Our Instructional Assistant & Substitute Teacher Training is the perfect way to gain real-world experience while balancing your class schedule.

- Gain real-world skills in classroom management, communication, and student support
- Build your resume & portfolio with hands-on classroom experience
- Make connections with teachers and school staff for future opportunities
- Make a difference by supporting students and learning environments

Experience/Requirements

- High School diploma or GED
 - Substitute teachers may require college credit hours
- At least 18 years old
- Able to pass a criminal background check and fingerprinting
- Preferred experience working with children/students
