

SPEED NETWORKING

FOCUS AREAS:

Social & Educational
Transformation

Sustainable Communities
& Critical Infrastructure

FEBRUARY 10, 2015

4:00 - 6:00

DB 1.124, Downtown Campus

A networking event to facilitate collaborations between UTSA researchers.

- Meet researchers from across campus that are working in the areas of **Social & Educational Transformation** and **Sustainable Communities & Critical Infrastructure**.
- Build quality partnerships that can be leveraged to grow your research.
- Learn more about UTSA research centers, institutes, and programs in order to enhance and develop your research.
- The event is limited to 40 participants. Event registration closes on Monday, February 2, 2015, at noon CST.
