CALL FOR ABSTRACTS

Deadline: March 15th at 5:00 p.m.

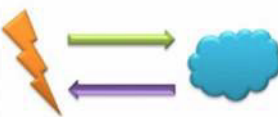

Showcase your academic research to San Antonio during Viva Science SA. Cash prizes for best posters.

Submit your abstract at
<https://rebrand.ly/VivaScienceSAPosters>

Poster Requirements:

-  A 3' by 4' wide poster (Maximum Size)
 Prepare a 6" high headline strip that runs the full width of the poster.
-  Include the title, authors, and affiliations on the strip in letters not less than 1" high.
-  Posters should be designed to communicate research to the public (i.e. easy to read with clear figures explaining key concepts in simple manner).

YOUR TITLE (8 words or less)		
YOUR NAME, YOUR SCHOOL		
Why Does This Matter? List three to five bullet points explaining why your project is important. Example: • X % of People Smoke • Many Smokers Get Cancer • Cancer is Dangerous • Current Methods to Stop Smoking Not Effective	Info Graphics (LIMIT 2) 	Take Home Message Summarize the most important conclusions from your research in one or two sentences. Example: "We made substance Y and showed that it helps people stop smoking better than any method we have today. Helping people to stop smoking can save their life."
Question Describe question that drives your project. Example: "Can we find more effective methods to help people stop smoking?"	 * Point 1 * Point 2 * Point 3
