Undergraduate Spring Research Scholarship

Due December 16, 2013

Information about the O.U.R Research Scholarship

The O.U.R. is pleased to announce spring 2014 scholarships for UG researchers. Awards of \$1000 will be competitive (allowing awardees to pay Texas in-state tuition for the semester) and there will be 2 awards per college including Honors. Scholarship information, instructions, and online application link can be found at: research.utsa.edu/UGresearch/.

ELIGIBILITY

Undergraduate students in good academic standing with the university and an overall GPA 3.0 and above. The candidate must be enrolled full-time for spring semester awards. Students need to have a faculty mentor in place and a research project in mind for spring. The research proposal on the online application will be “optional” rather than required at this time.

AWARD PROCESS

UTSA Financial Aid and Enrollment Services/Scholarship (FAESO) will hold the \$1000 award until the end of the respective program period.

The O.U.R. director will oversee application review, the awardee determination, and the spring program.

Students and faculty alike should consider the rewarding experience of UG research!

Please contact the OUR for more information.

Registration information will be available soon.
