

5

Tasks Managers Can Begin Now to Prepare for **PERFORMANCE EVALUATIONS**

1

Review the Performance Evaluation Timeline

Schedule meetings with your employees well in advance. Create calendar reminders for yourself to update and review employee performance.

2

Begin adding comments and attachments to the evaluation

If you need assistance using ePerformance in PeopleSoft, refer to the job aids on the [Performance Management Website](#).

3

Save...Don't Submit

Be sure to save your work often. Evaluations are not submitted until **after** calibration.

4

Continue Communication with Employees

Continue having conversations with employees about performance, goal progress, and aspirations.

5

Learn and Grow as a Leader

Enroll in [Performance Management Training for Managers](#).

Attend [Leadership Foundation courses](#) and [Leadership Huddles](#) to strengthen your leadership skills.
