Writing Successful Grants

Robert Porter, Ph.D., has presented grant writing workshops at leading universities and medical schools internationally. With thirty years of experience as a tenured professor, private consultant, and research administrator, his proposals have won more than \$8 million in awards from government agencies and private foundations. A national leader in the growing field of research development, he has presented papers and workshops on grant writing at national conferences and has published prize-winning articles in the Journal of Research Administration and Research Management Review.
