

# Learning German!?

Boston University linguistics researcher is looking for German learners with **ALL PROFICIENCY LEVELS**, including people just starting to learn!

We are especially looking for **NATIVE SPANISH SPEAKERS** learning German!  
Students can participate from home on their own computer by following the link or QR code below:

[https://bostonu.qualtrics.com/jfe/form/SV\\_2snbasS3rBOmBHU](https://bostonu.qualtrics.com/jfe/form/SV_2snbasS3rBOmBHU)

Your participation will help researchers understand the multilingual mind!

If you have questions or would like more information, please  
email [multilingualism.study@gmail.com](mailto:multilingualism.study@gmail.com)

This Boston University research study is IRB-Approved, protocol number 6845X.
